

# TOOLS & ACCESSORIES

## REGROOVER

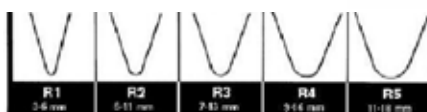

### PS15 Truckstar

- The PS15 TRUCKSTAR® is specifically provided for regrooving truck tires designated « regroovable ».
- This tool offers the advantage of having , contrary to others appliances, an electronic closing down system which makes it an extremely outstanding product.
- With this device the user finds two qualities: strength and reliability which have contributed to the solid reputation of the PS15®, furthermore improvements have been made to render the regroover very easy to use and very economical thanks to its automatic shut-down system.
- This machine is a high quality tire regroover with 4 heat settings and a bi-polar zero position.
- The PS15 STANDARD® has the rugged qualities of the more sophisticated PS15 TRUCKSTAR®.

| CODE    | DESCRIPTION       | WEIGHT | QTY/BOX |
